

Heat Illness Prevention Webinar

Learn Simple Steps to Keep Employees Safe and Your Workers Comp Losses in Check

ABOUT THE SEMINAR

Last summer stories of heat related deaths occupied headlines throughout the state for weeks. While the deaths were agriculture related, the same exposure is present in our industry. Please join us for a short but critically important Webinar to discuss several steps that can significantly reduce the risk of heat illness.

The Webinar is offered as part of CBIA, Courage Safety and State Fund's effort to help employees create a safe work environment. During the seminar you will also learn your obligations as an employer and how Cal OSHA plans to enforce the regulations during the summer months.

Please join us June 10th at 10AM. The registration information can be completed below and faxed to Courage Safety at (949) 498-1908 who will then provide you with instructions for participating in the Webinar. You may also sign up online by visiting www.couragesafety.com.

Tuesday, June 10th, 2009
10:00 a.m. – 11:00 a.m.
